8 There is a provision of Rs 5400 on account of the pay of the Health officer & the amount that may be required will be only Rs 2040, consequent on the transfer of Mr Rama from Bangalore & the arrival of Mr R. The last increment of pay was granted to them so far back as 1899-1900.

3. These menial servants of the Municipality have been agitating for some time for an increase in their wages consequent on the dearness of food stuffs and the increased cost of living. The work performed by them is of such a nature that it is not easy to replace them. They have learnt the value of organization and have watched the course of strikes of their brethern in other Cities. The recent strike of Railway porters and pointsmen in Bangalore has not been without its lesson to them, and people are not wanting who instigate them to go on strike. The Officials of the Health Department do not seem to be in touch with the men, and the first intimation I had was a petition presented to me by the whole body demanding an increase of pay and threatening to leave if their request be not complied with. I enclose the petitions received from them and the notes of the Vice President and the Health Officer thereon . The matter was first placed before the Managing Committee and then before the full Council. They have recommended an increment of 8 annas to the pay of each individual from the 1st September 1913.

4. The proposed increment costs ₹2448/- per annum in the aggregate or ₹204/- per month. The present total cost of the pay of sweepers and toties comes to ₹2051/- per month.

5. In view to meet the extra charges of pay now proposed, the Managing Committee have suggested the imposition of a general sanitary cess at 2%, and the subject is engaging the consideration of the Council (vide copy of resolution herein enclosed) and a detail report will be forwarded to Government for orders in due course. But as the question of increase to sweepers and toties is urgent and cannot wait, I beg that the resolution of the Council may be sanctioned very early the charges for the current year being ordered to be met out of
